

Frequently Asked Questions (FAQs) for Second Milestone

These FAQs provide essential information about submitting the second milestone for the Ideation Programme. All members are required to read them carefully before making their submission.

Please note that late submissions will not be accepted. Passing the second milestone is subject to assessment. For any further inquiries, feel free to contact us at ideation@hkstp.org.

1. What should be submitted in the Second Milestone?

a) Progress Report

A document which outlines your progress since the Ideation programme started, demonstrates your problem-solution fit validation and shares your plan for the rest of the programme. Feel free to submit supporting documents including but not limited to customer invoices, signed MOUs or LOIs, to make your submission more convincing.

b) Pitch Deck

The Pitch Deck should clearly recap your proposed project plan for your Hong Kong business entity, illustrate your project progress and the business plan moving forward. It should be concise and suitable to be shared with an investor.

c) 5-min Pitch Video

A recorded presentation of the pitch deck in approximately 5 minutes.

Please note: Any content exceeding 5 minutes may not be reviewed, as assessors reserve the right to disregard portions beyond the time limit.

d) Training Assignments

The training video curriculum should be assigned to your PIC email account by the 1st week of programme. Please refer to the email titled “Your Entrepreneurial Journey Starts” to access to the training videos and complete the “Ideation Basic Knowledge Quiz”:

e) Company Documents (for Individual Members only)

Relevant documents confirming the establishment of your company.

f) Team Member List (for Team Member Change only)

A list of all team members following the provided template.

2. What should be included in the Progress Report?

a) Introduce your current Team Members

- Highlight the core competence, role, and responsibilities (e.g. CTO), full-time/part-time.

b) Recap on your approved project in Ideation

c) Your findings and learnings on problem-solution fit.

- Why does the problem / opportunities exist?
- Why do you think there are many people like you who also care about this problem or opportunity?
- Why are validated users excited about your value proposition (benefits / changes bring to them)?
- Why is your collected feedback valid?
- Why do you think you can launch your proposed solution?

d) Your proposed business plan to move forward

- Market Requirement Document (MRD), Product Requirement Document (PRD) and Financial Projections can be included as a plus.

3. What should be included in the Pitch Video?

a) How should the Pitch Video be recorded?

Your video should be a 5-minute presentation, recorded in a file format (.mp4 or .mov) using video recording or conferencing tools like Zoom or Microsoft Teams.

b) Who should present the video?

The Person-In-Charge (PIC) should present in their own voice and show their face to convey commitment and passion. AI avatars or generated voices are not permitted in principle.

c) What language can I use in the video?

The PIC may present in English, Cantonese, or Mandarin, depending on which language they feel most comfortable with.

4. What other documents do I need to provide?

a) [Individual Members only] Company documents

You need to submit the following (Downloadable from <https://www.icris.cr.gov.hk/csci/>).

Please note that charges may apply):

Certificate of Incorporation

Establishment date must be within 2 years from the application start date.

Business Registration

Must be valid at the start of the application period. A valid Business Registration will be required after full approval.

NNC1/NAR1/AoA

Must show the PIC as a current shareholder. If the PIC is not listed, an official signed Transfer of Shares document with an effective date is required in addition to the NNC1/NAR1/AoA.

b) [Team Member Change only] Team member list

You need to submit the full team member list with the provided template when you have team member changes. *Please note: You may not change PIC.*
